SELECTION

Una serie che coniuga magistralmente l'essenza classica dei più pregiati ed iconici marmi italiani con la versatilità della ceramica.

L'eccellente interpretazione della materia originaria rendono MUSE ideale sia per architetture di tradizione che per progetti residenziali o commerciali di ispirata contemporaneità.

A new collection that combines the essence of the most precious and iconic italian marble with the versatility of the ceramic technology.

The superb interpretation of the original material makes MUSE perfect for traditional architectures as much as contemporary projects.

Carrara è il marmo per eccellenza, utilizzato per gli edifici e le sculture più famose al mondo. Un'elegante tonalità di bianco porta leggere venature scure che gli conferiscono un'austera e drammatica bellezza.

Carrara is the most famous marble, used for the most famous buildings and sculptures around the world. An elegant white hue with dark veins, lends it a dramatic and austere beauty.

Calacatta è un marmo caratterizzato da una profonda e naturale raffinatezza esaltata da armoniosi passaggi cromatici che modulano le tonalità del grigio e del marrone attraverso sofisticati accenni ambrati.

Calacatta is characterized by a deep and natural refinement enhanced by harmonious colour variations. Grey and brown shades are valued through sophisticated amber hues.

- Si sconsiglia l'utilizzo di stucco epossidico sulla finitura lappata.
- We do not recommend to use epoxy grout on honed finish.
- Nous ne recommandons pas l'emploi de joint epoxy pour les finitions polies.
- Wir empfehlen kein Epoxy Moertel auf die polierte oder teil polierte Oberflaeche zu benutzen.
